Springfield Park Place

Holiday & Seasonal Decoration Guidelines

As the holiday season approaches, Management would like to remind all residents of the Association's guidelines regarding seasonal and holiday decorations.

Permitted Decorations

Seasonal and holiday decorations are permitted around entranceway frames, within shrub beds, and on the interior of windows, provided they are temporary and do not cause damage to the property.

Common Lawn Areas

Lights and other decorations are **strictly prohibited** on common lawn areas.

Removal of Decorations

All seasonal and holiday decorations must be removed no later than **two** (2) **weeks** following the respective holiday.

We appreciate your cooperation in helping to maintain the appearance of our community and protect the Association's landscaping and common areas.
